♥ We would do these to help China Earthquake Relief: ♥

new! Our goal for donation: **1000 USD**. Receipt would be posted on web. Let us try our best!

1. Selling drink (cold), etc on MNB field: any profit to be donated.
2. MNB2008 T-shirt selling: any profit to be donated.
3. MNB finance: any left to be donated. It would be decreased to lowest by help from local Community & volunteers. So if any MNB finance money left, we local committee suggest to donate (if approved by Rules Committee). So: NO free drink supply on the field by local committee.
4. Donation box would be available on the field, even many already donated.
5. **new!** Before every game, mourn for 1 minute (Teams on court mainly, more participating is better).
